Patent No. 7,014,821 B2

Patented: March 21, 2006

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: John D. Hottovy, Bartlesville, OK (US); Dale A. Zellers (deceased), Bartlesville, OK (US); Penny A. Zellers, legal representative, Bartlesville, OK (US); Robert K. Franklin, Houston, TX (US); and Donald Paul Russell, Kingston, NH (US).

Signed and Sealed this Twenty-fifth Day of May 2010.
